

Hypocrite!

"I find it simply baffling that a Senator would vote against even voting on a judicial nomination."

--Senate Minority Leader Tom Daschle,
Congressional Record, Oct. 5, 1999

"Hispanic or non-Hispanic, African American or non-African American, woman or man, it is wrong not to have a vote on the Senate floor."

--Senate Minority Leader Tom Daschle,
Congressional Record, Oct. 28, 1999

That was then. Now, Tom Daschle is preventing the full Senate from voting on not one, but two "well-qualified"* judicial nominees, Miguel Estrada and Priscilla Owen.
